OFI FUND – EURO LARGE CAP (I-XL-C-EUR)

ISIN: LU1209227856 - This share class is offered to institutional investors

A Sub-Fund of OFI FUND umbrella SICAV

The SICAV's Management Company is OFI LUX

The Sub-Fund is managed by OFI Asset Management

Objectives and investment policy

Investment objective and policy

The objective of this Sub-Fund is to maximise long term capital growth by investing in Euro denominated quoted equity securities of large and mid-sized companies, domiciled and listed in Regulated Markets or Other Regulated Markets of the Eurozone.

At least 75% of the Sub-Fund's net assets shall be permanently invested as indicated above, in common stock of companies having their registered office or headquartered in Member States of the EU which have adopted the Euro as their national currency.

The policy of the Sub-Fund is to invest in large and mid-sized market capitalisations with no sector or benchmark allocation constraint.

The Sub-Fund may invest up to 10% of its net assets in debt securities or in other types of equity securities, including ADRs, GDRs, convertibles bonds and warrants on equity securities listed on or dealt in Regulated Markets or Other Regulated Markets.

The Sub-Fund may also hold cash or cash equivalents up to 20% of its net assets.

Management Discretion

The Sub-Manager has the discretion to buy and sell investments on behalf of the Sub-Fund within the limits of the Investment objective and policy.

Purchase, redemption and conversion

You can buy, sell and convert this Share Class from the Registrar and Transfer Agent or the Principal Distributor on a daily basis (on any Dealing Day, i.e. on which banks in Luxembourg are open for banking business).

Distribution policy

Income arising from the Sub-Fund is reinvested.

Recommendation

This Sub-Fund may not be appropriate for investors who plan to withdraw their money within 5 years.

Risk and reward profile

This indicator is based on the historic volatility calculated from weekly performances of this Share Class over the last five years.

This Share Class is classified in category 6 because at least 75% of the Sub-Fund's net assets shall be permanently invested in common stock of companies having their registered office or headquartered in Member States of the the EU which have adopted the Euro as their national currency.

Further risks that are essential for the Sub-Fund are not adequately covered by the indicator above: since the Sub-Fund may invest up to 10% in debt securities or in other types of equity securities, including ADRs, GDRs, convertibles bonds and warrants on equity securities listed on or dealt in Regulated Markets or Other Regulated Markets.

The sub fund may be exposed to credit risk linked to securities in case of an issuer's downgrading or default.

The Sub-Fund may also hold cash or cash equivalents up to 20% of its net assets and will use listed derivative instruments such as call or put options and/or futures on transferable securities and financial indices.

Furthermore, the value of your investment may fall as well as rise and you may get back less than you originally invested.

The historical data used for calculating the risk and profit category cannot serve as a reliable indicator of the future risk profile.

The risk and reward category shown above is not guaranteed to remain unchanged and may change over time.

The lowest risk category does not mean a free-risk investment.

There is no capital guarantee and no capital protection.

You can find further information concerning the risk and reward profile on the SICAV's prospectus available at OFI LUX or on the Internet site of the Principal Distributor at www.ofilux.lu.
