OFI FUND – RS EUROPEAN EQUITY POSITIVE ECONOMY (RF-EUR-C)

ISIN : LU1800172758 - This share class is offered to investors subscribing via distributors or intermediaries

A Sub-Fund of OFI FUND umbrella SICAV

The SICAV's Management Company is OFI LUX

The Sub-Fund is managed by OFI Asset Management

Objectives and investment policy

Investment objective and policy

The objective of this Sub-Fund is to maximise long term capital growth by investing in quoted equity securities of companies, domiciled and listed in Regulated Markets or Other Regulated Markets within the European Economic Area, and in line with positive economy objectives. Those objectives seek to generate a beneficial impact on the environment and individual wellness such as energy transition and efficiency, better management of natural resources, individuals' health, nutrition and security. In order to achieve its investment objective, this Sub-Fund will base its investments on fundamental research in the selection of individual securities for long positions. The Sub-Fund's strategy remains discretionary depending on the Investment Manager's market anticipation. The Investment Manager might also use in the same discretionary manner its expertise on extra-financial analysis to select investments.

At least 75% of the Sub-Fund's net assets shall be permanently invested in common stock of companies having their registered office, quoted or carrying out their business predominantly in the European Economic Area.

Up to 25% of the Sub-Fund's net assets may be invested in Swiss equity securities.

As companies following positive economy objectives might encompass a broad range of financial sectors and market capitalisations, the policy of the

Sub-Fund is to invest in all kinds of market capitalisations with no sector or benchmark allocation constraint.

The Sub-Fund may also hold cash or cash equivalents up to 20% of its net assets.

The Sub-Fund may be exposed to all European Economic Area and Switzerland markets and currencies. Additionally, the Sub-Fund may be exposed to other OECD currencies for up to 5% of its assets.

Management Discretion

The Sub-Manager has the discretion to buy and sell investments on behalf of the Sub-Fund within the limits of the Investment objective and policy.

Purchase, redemption and conversion

You can buy, sell and convert this Share Class from the Registrar and Transfer Agent or the Principal Distributor on a daily basis (on any Dealing Day, i.e. on which banks in Luxembourg are open for banking business).

Distribution policy

Income arising from the Sub-Fund is reinvested.

Recommendation

This Sub-Fund may not be appropriate for investors who plan to withdraw their money within 5 years.

Risk and reward profile

This indicator is based on the historic volatility calculated from weekly performances of this Share Class since inception supplemented with the historic volatility of the benchmark over the last five years.

This Share Class is classified in category 6 because at least 75% of the Sub-Fund's net assets shall be permanently invested in common stock of companies having their registered office or headquartered in Member States of the European Union.

Further risks that are essential for the Sub-Fund are not adequately covered by the indicator above: since the Sub-Fund may invest up to 10% in debt securities or in other types of equity securities, including ADRs, GDRs, convertibles bonds and warrants on equity securities listed on or dealt in Regulated Markets or Other Regulated Markets.

The sub fund may be exposed to credit risk linked to securities in case of an issuer's downgrading or default.

The Sub-Fund may also hold cash or cash equivalents up to 20% of its net assets and will use listed derivative instruments such as call or put options and/or futures on transferable securities and financial indices.

Furthermore, the value of your investment may fall as well as rise and you may get back less than you originally invested.

The historical data used for calculating the risk and profit category cannot serve as a reliable indicator of the future risk profile.

The risk and reward category shown above is not guaranteed to remain unchanged and may change over time.

The lowest risk category does not mean a free-risk investment.

There is no capital guarantee and no capital protection.

You can find further information concerning the risk and reward profile on the SICAV's prospectus available at OFI LUX or on the Internet site of the Principal Distributor at www.ofilux.lu.

As a wholly owned subsidiary of OFI Asset Management, the Management Company applies the remuneration policy of OFI Group. The policy establishes an appropriate balance between the fixed and the variable components of the global remuneration and is based on a number of qualitative and quantitative criteria, applied differently for risk takers, senior management and control functions. The assessment of performance is set in a multi-year framework appropriate to the holding period recommended to the investors of the UCITS funds managed by the Management Company in order to ensure that the assessment process is based on longer-term performance of the Company and its investment risks and that the actual payment of performance-based components of remuneration is spread over the same period. The Group's remuneration policy has been established by the Group's strategic committee which is composed by representatives of the Group's shareholders. It is in charge of the definition and the implementation of the remuneration policy. The details of the up-to-date Remuneration Policy, including but not limited to, a description of how remuneration and benefits are calculated, is available at <http://www.ofilux.lu/> and a paper copy is made available free of charge upon request from the registered office of the Management Company.
